EDUCATION

Stony Brook University Expected May 2030
B.S., Applied Mathematics & Statistics; Double Major in Computer Science (planned)

Delhi Public School, R.K. Puram, New Delhi 97.0% (Class 10) | 94.0% (Class 12)
AP Scholar with Distinction (AP English Language & Composition: 5; AP Precalculus: 4; AP Statistics: 4)

EXPERIENCE

Lead Developer & Technical Advisor, SANJAY-VR (India's First VR Combat Training Lab) 2023 - 2025
- Led the technical design and project management of a VR combat-training system integrating Oculus headsets, simulator rifles, Google Earth, and U.S. military simulation models.
- System was adopted to train 10,000+ Indian Army personnel, improving training efficiency, safety, and resource optimization.

Data Strategist & Social Impact Researcher, Independent Research 2024 - 2025
Advised by Dr. Chetan Ralekar (MIT / IIT Roorkee)
- Applied Python and statistical analysis to study demographics, welfare access, and policy gaps affecting Indian war widows (Veer Naris); presented findings to inform regional outreach.
- Designed and launched a financial-literacy program connecting rural widows to income, education, and welfare resources; coordinated a network of counseling psychologists to support delivery.

Lead Research Intern, Digital Policy, Security and Policy Initiatives (SAPI), Government of India 2024 - 2025
- Led a national survey of 1,500+ youth respondents and analyzed the data on India's Digital Personal Data Protection Act (2023) and minors' social media consent, under mentorship of senior Government of India officials.
- Authored a formal policy report published with the Government of India; produced and directed an accompanying public-perspectives documentary distributed via SAPI platforms.

CURRENT AMBITIONS

- Currently working on **VECTOR**, a portfolio intelligence platform designed to turn fragmented portfolio-company data into operational decisions. The concept brings together data ingestion, automated KPI analysis, peer benchmarking, performance-risk monitoring, and an AI-driven Action Engine that surfaces recommendations and playbooks for private-equity operating teams.

LEADERSHIP & ACTIVITIES

Executive Board Member, Women in Business, Stony Brook University 2026 - present
- One of two first-year students selected to the executive board; spearheading the International Women's Day Stony Brook Conference 2027.

Founder, Meraki Commune; **Core Member**, DIGEX Society, DPS R.K. Puram 2024 - present
- Built a 50+ member digital volunteer community running social-issue awareness campaigns across India; serve on the school's digital media strategy team.

Director, Economics Club (Econocrats), DPS R.K. Puram 2025 - present
- Chief Student Editor of the club's economics magazine; conceived and organized the school's inaugural inter-school commerce festival, leading a cross-functional student team.

Delegate & Executive Board Member, Model United Nations 2022 - present
- Won Best Delegate at 6 conferences, including SIGF International 2025 (200+ delegates) and St. Xavier's National MUN (300 delegates); advanced from delegate to Chairperson of the Jodhamal Youth Conclave (2022 to 2024).

Filmmaker & Research Intern, Project Prakash (MIT) / National Academy of Direct Taxes 2025
- Produced short films for Project Prakash's rural eye-surgery program (under Dr. Pawan Sinha, MIT) and a taxation-transparency campaign selected from 10,000+ entries.

HONORS & AWARDS

- National Gold Medalist (1st Prize), WAVES National Film Competition, Ministry of Information & Broadcasting (2025)
- First Indian student shortlisted, MEXT Japanese Government Scholarship (Social Sciences)
- Shortlisted, Cambridge Centre of International Research Young Scholars Program, with scholarship (2025)
- AP Scholar with Distinction; Principal's Red Blazer Award for Co-Curricular Excellence
